where to go and what to do

The Cherokees have always called the area around our hotel in Cherokee home. Ancient tribe lore tells of hunters tracking mastodon. Dating of stone tools shows inhabitants in the area as far back as 11,000 years ago. The Cherokees that remain today are descendants of those who defied the Trail of Tears, hiding in the nearby hills. Today, they preserve the culture, traditions and history of their ancestors. When you visit the Oconaluftee Indian Village, you can explore that history firsthand. The village shows Cherokee traditions and crafts circa 1750. You'll see crafts, hear stories and come away with a much stronger understanding of Cherokee culture.
