where to go and what to do

Frank Lloyd Wright may well be the most famous American architect of the 20th century. Our hotel in Buffalo is surrounded by six residences by Wright, more than any other city outside of Chicago. From his Darwin Martin House, a large prairie-style home, to the stone Graycliff Estate, overlooking Lake Erie, you'll be able to see many of Wright's masterworks here in Buffalo. For other contemporary art, don't miss the Albright-Knox Art Gallery, one of the top institutions for 20th-century painting and sculpture. The performing arts are celebrated within blocks of our hotel. In our Theater District, the shining star has to be the Shea's Performing Arts Center.
