our hotel

The rare beauty that surrounds the Hampton Inn® hotel in Rochester-South (Airport Area) earned our town the name "Flower City." Get outside here and see that beauty for yourself. Our thousands of acres of parks will surprise and delight. It seems like there's a spot of beauty around every corner. Little wonder that George Eastman chose to found Kodak here.

where to go and what to do

The area around our hotel in Rochester offers so much it's almost hard to say what to do first. For those who love music, dance and film, don't miss the Eastman Theatre. The world-class venue has been a local stalwart for culture since 1922. It's also the main stage for the Rochester Philharmonic Orchestra. The Rochester Museum and Science Center, the Margaret Woodbury Strong Museum and the Strasenburgh Planetarium are also near our hotel in Rochester. Speaking of Eastman, the George Eastman House International Museum of Photography and Film shouldn't be missed. Bringing children? Make your way to the Strong National Museum of Play, which houses the National Toy Hall of Fame.
