our hotel

Titusville may host the Kennedy Space Center, but it doesn't take a rocket scientist to figure out that this is the place to be. Nature and space flight coexist here with surprising ease. Not only are we the closest beaches to Orlando, but we also are home to the Merritt Island National Wildlife Refuge and the Canaveral National Seashore. Titusville remains the only place in the world where you can watch a space launch, take an eco tour by boat or helicopter, frolic on the beach and play a round of world-class golf - all on the same day.

directions to our hotel

From I-95 Southbound take exit 215. Make a right at exit and hotel is on the right. From I-95 Northbound take exit 215. Make a left at the light and the hotel is an eighth of a mile on the right. From Beach Line SR 528 follow east to I-95 North to 1st exit in Titusville exit 215 - SR 50. Make a left at the light and hotel is an eighth of a mile on the right. From Orlando Int'l Airport take SR-528 east toward Cocoa-Kennedy Space Center. Merge on to Beach-Line - SR-528 East.

where to go and what to do

If the rocketry doesn't lure you to Titusville, our 27 miles of undeveloped, undiscovered beaches will. The "Space Coast" lures ocean buffs, sunbathers, bird watchers and fishing fans from all over the world - no, make that the universe. Best of all, the Orlando International Airport is a straight shot, 42 miles west of our hotel in Titusville. And if you're catching a cruise in or out of nearby Port Canaveral, our hotel is just 20 miles away. Give yourself a memorable and deeply emotional experience at the Monument of States Statue, recently refurbished for Hampton® Hotels' Save-A-Landmark® Program.
