our hotel

Away from the stress and strife of bigger cities, the Hampton Inn® hotel in Danville invites you to relax and take in the calm of yesteryear. We invite you to discover the unique sites and sounds that have earned our community the reputation as a premier historical destination. The pioneers of Kentucky might be startled by our modern amenities and high-speed internet, but they'd feel right at home at many of our area's local attractions. Not only has Danville preserved its history, but we've also struggled to protect our natural surroundings. It's a best-of-both-worlds blend of the past and the present.
