#### where to go and what to do

Cambridge, a city just across the Charles River from Boston, has roots and traditions that date back to 1630. If you've come to our hotel in Cambridge to cheer on the boat races or stroll the esplanade after a Boston Symphony Pops concert, note the strange markings on the Harvard Bridge. The bridge is counted in "Smoots." What's a Smoot? Like many things in this venerable city, there's a story behind it. A Smoot is about 170 cm, which was the height of Oliver Smoot, the shortest pledge of the Lambda Chi Alpha fraternity in 1958. Mr. Smoot was used to measure the bridge, and visitors today can still see that the bridge is 364.4 Smoots, "and one ear long."

**breakfast is ready,**  
and at Hampton, it's **on the house.**

Enjoy our complimentary On the House® hot breakfast. Menu items rotate and may include such offerings as sausage patties, eggs and French toast sticks. And of course, all the coffee you'd like.
