where to go and what to do

Founded in 1836, Shreveport boasts many historic landmarks in town. One of the most fascinating is the McNeill Street Pumping Station, a National Historic Landmark. They knew how to build 'em back in 1887-the station is still in use! Our hotel in Shreveport is a short drive from five casinos where you can find everything from hot steaks to high stakes. A quieter diversion can be found at The Gardens of the American Rose Center, an amazing collection of more than 30,000 roses spread out over 60 gardens. Lastly, if you have time, go shopping.

our rooms

Our promise to you includes a clean, comfortable hotel room. In fact, we have 76 of them! If you're traveling with your family, you may opt for a room with two beds.
