where to go and what to do

When you come ashore near our hotel in Plymouth, you'll be following in the footsteps of the second permanent settlement in New England. It was here, in December 1620, that the Pilgrims established our town, making it one of the oldest municipalities in the United States. Naturally, there's a lot of history to be seen and enjoyed around our hotel. Start with Plimoth Plantation, where you'll see a 1627 English village, the Wampanoag Homesite and a crafts center. You'll meet costumed role players who tell the story of the Pilgrims and the Wampanoag people.

breakfast is ready,
and at Hampton, it's **on the house.**

Enjoy our complimentary On the House® hot breakfast. Menu items rotate and may include such offerings as sausage patties, eggs and French toast sticks. And of course, all the coffee you'd like.
