### our hotel

Here at the Hampton Inn® hotel in Hot Springs, we believe our city's uniqueness starts right at the town limits. It's the only city in the United States that is actually within a national park. In fact, Hot Springs is the oldest national park in the land—40 years older than Yellowstone National Park. When you stay at the Hampton Inn hotel in Hot Springs, you're staying in a bit of history.

### directions to our hotel

From Little Rock: Take I-30 West to Exit 98B (Hwy 270W) to Hot Springs. Go approximately 16 miles and turn left onto the 270W Bypass (Martin Luther King). Go to Exit 5A (Central Avenue & Hwy 7 South) and turn right. Go South on Central Avenue for 1.5 miles and turn right onto Temperance Hill Road at the Bank of America and hotel will be located on the left. From Texarkana: Take I-30 East to Exit 7B (Hwy 7). Take Hwy 7 North to Hot Springs.

### where to go and what to do

We were America's spa city long before the trend of wellness took off. Hernando DeSoto arrived in Hot Springs in 1541 to drink from the thermal waters (which Native Americans had known about for 10,000 years). The waters themselves are naturally 143 degrees, almost 100 percent pure and flow at a rate of nearly 850,000 gallons per day. They're why many locals and visitors fill jugs full of the natural water and come to the Ouachita Mountains for healing, rejuvenation and recreation. Many guests of the Hampton Inn® hotel in Hot Springs come for the beauty and purity our springs offer, but your adventures in our town shouldn't stop there.

### our rooms

Our promise to you includes a clean, comfortable hotel room. In fact, we have 83 of them! If you're traveling with your family, you may opt for a room with two beds.
