### our hotel

The first European visitor to Wilmington and Cape Fear, Giovanni da Verrazano, called the area around our Hampton Inn® hotel in Wilmington-Medical Park, "as pleasant and delectable to behold as is possible to imagine." We think that holds as true today as it did in 1524. You'll find lush gardens, beautiful old homes, preserved historic districts and hundreds of activities to enjoy within just a few miles of the Hampton Inn hotel in Wilmington-Medical Park.

### where to go and what to do

The Hampton Inn® hotel in Wilmington-Medical Park, as our name suggests, is just two blocks from the Hanover Regional Hospital. Whether you're here for a checkup or are planning a vacation to our storied city, you'll find plenty to do within just a few minutes or our hotel. In Wilmington, Thalian Hall reigns as the cultural center of our city. Opened in 1858, the hall has seen performers ranging from Buffalo Bill Cody to John Phillip Sousa. If possible, catch a show in this restored local treasure. Speaking of restored, just across the river from downtown you'll see the USS North Carolina, a battleship that contains thousands of artifacts from the World War II era.

### our rooms

Our promise to you includes a clean, comfortable hotel room. In fact, we have 120 of them! If you're traveling with your family, you may opt for a room with two beds.
