#### our hotel

It's where the old west meets some of California's most beautiful agricultural scenery. Bakersfield came into being when, back in 1863, former California state senator Colonel Thomas Baker moved here and grew a field of alfalfa for travelers to feed their horses. Newspapers from all over the state encouraged travelers to visit Baker's field and to feed their stock. Today it's one of the fastest growing cities in the U.S. and a cradle of California agriculture. It's also a perfect spot for travelers to stop and cool their heels a bit after driving along either the 5 or 99 freeways from the north and south.

#### where to go and what to do

There's a lot to do near our hotel in Bakersfield but one place you can't miss is the famous Bakersfield country music scene along Buck Owens Boulevard. The street was named in 1998 after country music legend Buck Owens, who ran the Buck Owens Crystal Palace nightclub, museum, and restaurant, and it's still going strong. Also near our Bakersfield hotel is the famous truck stop restaurant, Zingo's Cafe. If you like to fish, the Kern River is just a mile away, the Bakersfield Museum of Art just two miles away and the Mesa Marin Raceway just 15 miles away.
