### where to go and what to do

Carol Stream is a fabulous, modern town-but she's also a real person, the daughter of Jay Stream, who developed the area in the 1950s and named it for Carol, who'd been in a car accident. Happily, Carol recovered, and the town named in her honor remains the only community in Illinois named for a living person. Here at the Hampton Inn® hotel in Chicago/Carol Stream (Wheaton Area), we're proud that our town is a unique place, thoughtfully laid out with a mix of business and residential areas. Our striking downtown remains the perfect place to stroll in the evenings and enjoy the gurgle and splash of our many fountains.

### our rooms

Our promise to you includes a clean, comfortable hotel room. In fact, we have 110 of them! If you're traveling with your family, you may opt for a room with two beds.
