where to go and what to do

There are hundreds of things to do and see near our hotel in Louisville-the trouble is choosing which to do first. Not many people would willingly step into a ring with Muhammad Ali, but you can do just that in the champ's hometown at the gorgeous Muhammad Ali Center. It's one of the coolest museums in the nation, featuring legendary boxing clips, a model boxing ring and even an area for you to shadowbox with the big guy. Want to get out on the river? Take the Belle of Louisville or the Spirit of Jefferson down the Ohio.
